Accident Protector

Accidents happen. Unfortunately they too often come with unexpected costs. The Accident Protector product provides an affordable way for individuals and families to be protected from the extra expenses that can come due to an accident at home, work or even at play. This policy pays benefits for covered injuries due to an accident.

PRODUCT HIGHLIGHTS

- **Portability.** Unlike typical “group benefits” through an employer, this is individual coverage that can stay with the insured even if there is a change in jobs.
- **Non-cancellable and guaranteed renewable** for the insured’s lifetime (as long as the premium is paid as scheduled).
- **Spouse and childrens coverage options**
- **Benefit are paid directly to the insureds** and are in addition to any other insurance they may have—including Workers’ Compensation, Social Security or any other government sponsored insurance program.
- **No health questions asked or medical tests required**

PRODUCT FEATURES

■ HOSPITAL

- **Hospital Admission** benefit paid if, due to an injury, the insured is admitted to a hospital within 30 days of the injury. This benefit is payable once for each accident.
- **Hospital Confinement** benefit paid for each day the insured is continuously confined in a hospital with no maximum number of days. The confinement must be due to an injury and occur within 30 days of when the injury was sustained.
- **Intensive Care** benefit paid if the insured is confined in an Intensive Care unit during a period for which benefits are payable for hospital confinement for up to 30 days per accident.
- **Emergency Room** benefit paid if an injury requires treatment at an emergency care facility within 48 hours of the accident. Payable once for each accident.

■ INJURIES

- **Concussion** benefit paid if the insured is diagnosed by a doctor as having a concussion within 72 hours of the accident and requires any type of medical imaging procedure. Payable once for each accident.
- **Outpatient Surgery** benefit paid if an injury requires outpatient surgery within 90 days of the accident. Benefit amount is determined based on a Major or Minor classification. Major is if the surgery occurs in a hospital operating room; Minor is if it occurs in the doctor’s office, clinic, or emergency room.
- **Fracture** benefit paid for a fracture diagnosed by a doctor within 90 days of the accident that caused

the injury. Benefit amount is determined based on the classification, Major or Minor. Minor means the breaking of the nose, teeth, fingers, thumbs or toes. Major means the breaking of any other bone of the body.

- **Medical Appliance** benefit paid if, because of an injury and within 90 days of the injury-causing accident, the doctor prescribes the use of medical appliance such as crutches, a wheelchair, leg braces or back braces. This benefit is payable only once for each accident.

■ FOLLOW-UP BENEFITS

- **Emergency Follow-up Treatment** benefit paid if an injury requires follow-up treatment as recommended by a physician. Must be performed within three months of the covered Emergency Room treatment.
- **Physical Therapy** benefit paid if an injury requires physical therapy as prescribed by a physician. Treatment must be start within 90 days of the accident and be completed within six months after therapy begins.
- **Recovery following Hospital Confinement** benefit paid if the insured remains totally disabled following hospital confinement. Pays a daily benefit for up to the number of days of hospital confinement.

■ ADDITIONAL BENEFITS

- **Blood and Blood Plasma** benefit paid once for each accident if the resulting injury requires a transfusion, administration, cross matching, and processing of blood, plasma or platelets.

- **Ambulance** benefit paid if the insured is transported to a hospital within 48 hours of an injury by a licensed ambulance service. This benefit is payable once for each accident.
- **Health Screening** benefit paid once a year for health screening tests or procedures for each person covered under the policy. This includes chest x-ray, bone marrow testing, mammography, breast ultrasound, PAP smear, PSA, and others. The benefit is payable only after the policy is in force for at least 90 days.
- **Family Lodging** benefit paid if, due to an injury, the insured requires treatment at a hospital located more than 100 miles from home. This benefit is payable for hotel/motel stays by a family member who accompanies the insured during the time the insured is confined to a hospital
- **Transportation** benefit paid if the insured must travel 100 miles or more to receive treatment for an injury. Treatment must be 1) prescribed by a physician, 2) received while confined in a hospital and 3) is not available locally. This benefit is not payable for ground or air ambulance transportation.

■ ACCIDENTAL DEATH OR DISMEMBERMENT

- **AD&D** (any accident) benefit paid if the insured sustains an injury due to an accident and causes the loss of life, sight or limbs. The loss must occur within 180 days from the date of the accident, which caused the injury.

Note: Only one benefit amount per injury, either *Accidental Death-Common Carrier* or *Accidental Death or Dismemberment-Any Accident*, whichever is greater, will be paid for each covered person.
